Fire Prevention Division Permits and Fees

A fee in accordance with the following schedule shall be paid to the Fire Prevention Division at the time of application for: (1) Fire Construction Permit, (2) Inspections, (3) Renewable Permit, (4) Special Activity Permit, (5) any other service. Such fee shall not be refunded upon failure of the applicant to receive the permit. Failure to apply for the necessary permits or service may result in an order from the fire marshal to obtain a permit or service. Such an order shall be considered as application made for the necessary permit or service. Fees are payable upon permit application. Failure to pay for a permit, plan review or inspection fees imposed by this fee schedule, within the time period specified, shall render such permit null and void. All terminology not defined in this chapter shall be defined as stated in the Uniform Fire Code as adopted by the City of South San Francisco

Unless otherwise noted, all fees are based on the provisions of the Uniform Administrative Code, adopted January 22, 2003 in Resolution No. 12-2003.
